**Fabulous coastal views**

**S** From the car park go W through the Land's End Visitor's area to reach the top of the cliffs. Go S (left) along the cliff tops following the South West Coast path. Continue S above numerous bays and inlets until you reach Mill Bay or Nanjizal (look out for a large cream coloured house on the hillside). (2½ km)

① Just before the path descends S to a footbridge over a stream, leave the South West Coast path and go NE (left) on a narrow path that ascends steeply. Just beyond an easy to miss T-junction of paths go N (left) to a kissing gate. Follow the path beyond across several fields to reach a track at Trevilly. At a T-junction of tracks go right and then immediately left over a low stile (signed footpath only) to cross the farm courtyard and then a field to reach a road in Trevescan. (1½ km)

② Go W (left) and then NW on the road for 400m to reach the A30. Cross and go N on a signed path opposite to cross several fields to join a lane. Follow the lane N and then ENE (right) for 200m before going NW (left) on a signed path opposite a house called 'Pol-an-dre' that leads down to the seafront at Sennen Cove. (2 km)

③ Go W (left) past the Lifeboat Station and through a car park before climbing up to a tower on the cliff top. Go S (left) on the South West Coast path along the cliff top past the 'First and Last House' to return to Land's End and the start. (2 km)
